PHOTOGRAPHS & RECORDED IMAGES PERMISSION

- Tynedale CC recognises the need to ensure the welfare and safety of all young people in cricket. As part of this commitment we will not permit photographs, video images or other images of young people to be taken or used without the consent of the parent / guardian and the young player
- Tynedale CC follows the guidance issued in "Safe Hands – Welfare of Young People in Cricket" on the use of images of young people.
- Tynedale CC will take steps to ensure that these images are used solely for the purpose that they are intended, which is the promotion and celebration of cricketing activities
- If team photographs (e.g. team or action shot) are submitted to the Press or publicised on our website, individuals will not be identified. Where a young person is identified it will only be with the explicit consent of the parents / guardians

Please note that Tynedale CC understands that there are circumstances under which a parent would not wish their child to be photographed. Whilst Tynedale CC will do all that it can to ensure the safety of children during photographed events, it is the responsibility of the parent concerned to ensure that if their child is not to be photographed and partakes in an activity inadvertently photographed or filmed, Tynedale CC cannot be held responsible.
